Highest and best offers due Monday Aug 3rd at 1pm***** No escalation clauses will be accepted**** Solid brick ranch in a wonderful neighborhood with lake privileges on Silver Lake and an attached two-car garage. The expanded floor plan with over 1500 sq ft features a bright and sunny family room, allowing for an impressively spacious kitchen with an abundance of cabinetry. The open layout is perfect for entertaining, with all the rooms feeling connected, including the cozy dining room highlighted by a gas fireplace. Hardwood floors are believed to be under the carpeting, and the home is filled with natural light throughout. The main level features 3 bedrooms, a spacious full bathroom, plus a convenient private half bath in the primary bedroom. The finished basement includes a large recreation room that is ideal for family gatherings, parties, a home theater, or additional living space. Additional updates include the hot water tank, central air, electrical system, and windows. Outside, enjoy the huge 100-foot-wide fenced yard with a paver patio-perfect for relaxing, entertaining, or enjoying summer evenings. This spacious ranch offers the perfect opportunity to update at your own pace and create the home you've always imagined in one of the area's most sought-after neighborhoods.
